

**Gloucester County
Vocational-Technical School District**

PUPILS

ELECTRONIC EQUIPMENT

The District strongly discourages students from bringing electronic equipment to school. This includes, but is not limited to, pagers, cell phones, electronic games, personal stereos, such as MP3 players, and iPods. This District is not responsible for these items if students choose to bring them to school.

Cell phones, games, and personal stereos, must be turned off and out of sight while on school property. Students are not allowed to make or receive calls, send or receive text message, or use camera options while on school property. Head phones may not be worn on school property.

Students who violate these regulations will be subject to disciplinary action.
